Why 75 stars including 20 actuaries joined startup

Tired of same
old routine,
boring role

Sick of bureaucracy and lack
of desire to change

Break glass ceiling by
learning business
acumen

Need to reinvent as AI
spells slow death for
actuaries

Apply training to find new solution to client
pain point of rising health spend

Pushing boundaries at edge to
transform old industry

STOPPED trying to be a robot –
cannot win against real robots
