# Join Us for the 2018 Cyber Risk Conference!

We are excited to announce that the Singapore Actuarial Society is partnering with the renowned ESSEC Business School to bring you an exciting **Cyber Risk Conference!** The theme for this year is “**Cyber risks – Threats and Opportunities for the Asia Pacific Insurance Industry**”.

The Conference will be held at the ESSEC Business School, Asia-Pacific Campus on **26 – 27 July 2018**.

Come join us to hear from **over 20 international experts, risk practitioners, regulators and established academics** who will be sharing their insights on cyber risk modelling, insurance products, risk management techniques and the latest emerging trends in the cybersecurity space.

You will enjoy the exclusive opportunity to **network with cyber risk professionals** who have vast experience across the financial services sector. We will be organizing an **interactive and experiential workshop** where you get to discuss with other participants on the latest cybersecurity issues faced by the insurance industry.

Look forward to wind down and enjoy an international buffet dinner on the evening of 26 July at **Da Paolo Bistro Bar** at 3 Rochester Park.

Early Bird Registration closes on 18 July. **Why wait any longer? Proceed now with your registration.**
