

Hamza Mush

**“...Asia will account for 40%
of the global insurance
market by 2020” – Munich Re**

**“ ...By 2030, around half of
the world’s urban population
will be living in Asia” – PwC**

“ ...Asia’s insurance market is expanding at a rate of above 13% per annum whilst the rest of the world grows at around 3% ” – Swiss Re

**“...insurers cannot be
profitable or even survive
without an actuary’s expertise”
– Dr. Jennifer Li Ling Wang**

**“ ...800 actuaries needed
in Indonesia over the next
few years” – AIR**

“...if people had US\$ 1 million to spend in 2016 in the actuarial area, 27% would spend it on hiring actuarial talent” – Milliman Survey

- 1) The need to transform,
converge, collaborate**
- 2) The increase in the number and
diversity of actuarial
opportunities**

**Why increase
collaboration?**

How?

**Growth in number and
variety of actuarial
career opportunities**
